Who We Are And What We Do

We are the Social Justice Committee, the first of its kind at Leo Baeck. Our Brick by Brick campaign is hoping to raise \$8 500 by the end of the school year, enough to build a school in Kenya. We are working with Free the Children to give underprivileged children the opportunity to learn in a safe environment, something we are so fortunate to have here in Canada. The proceeds from the t-shirt sales will go to our Brick by Brick campaign. We thank you for all of your support!
