

CLASS PARENT VOLUNTEER FORM

2010-2011

Why should you become a Class Parent?

The Class Parents for each class are the primary contact between the school and the parents in that class. They are notified by the school of all volunteer opportunities including field trips and in-class events as well as school events and information. It is a great way to meet other families and get involved with the school and the LBPA.

Whether you work full time, part time or are simply a busy parent, the time commitment is manageable. This is an excellent way to stay connected to your child's class and school events.

Change to Class Parents Sign Up for 2010 - 2011

The LBPA and Volunteer Services have decided to remove one of the many Volunteer Forms from your August mailing and we are collecting e-mails from parents interested in becoming Class Parents for 2010-11. We are aware that you do not yet know which class your child will be in come September but you will know the grade and that is sufficient for our process.

Procedure:

If you are interested in becoming a Class Parent for the 2010 -2011 school year, please send an e-mail with the information requested below to a Director of Volunteer Services (see below) by Wednesday June 23, 2010.

E-mail The Following Information:

Parent's Name

E-mail (must have)

Home #, Cell #, Work #

Child 1 Name & Grade; Child 2 Name & Grade; Child 3 Name & Grade . . .

**You may be a Class Parent for only one child's class and will be placed where needed most.*

In September, only those selected as Class Parents will be contacted. An orientation session will take place on Tuesday September 28th, 2010 to discuss policies and procedures.

For more information please contact any of your Volunteer Services Directors:
