BEANSTOCK

Three Grade 5 Students perform with Judy and David!

Mazal Tov to Georgia Bender, Romy Weltman and Annalee Dimpfel and their families. Judy & David's Juno-Award Nominated musical is back! Follow Jack as he trades in the family cow for a bag of magic beans. His groovy adventure begins when he climbs a gigantic beanstalk, meets a jazz-loving giant and restores his family fortune. Join us for the hilarious musical that has captured the imagination of tens of thousands of children and families. This is a full-scale musical with 14 performers on stage, designed for children from preschool to Grade 3 and their families.

Romy Weltman and Annalee Dimpfel

LEADERSHIP UNIT

In the Leadership Unit each Grade 6 student chose a leader from the past or present who had good leadership skills and contributed to his/her nation, people and society. They investigated their leaders' background using their research skills, used critical thinking analysis to focus on their leaders' qualities and characteristics and then demonstrated how these leaders influenced the world they lived in. Some students chose men and women close to home in Canada, while others chose international leaders from the United States, Israel, Great Britain, South Africa and India. Students shared their knowledge at the Leadership Conference where they each gave an oral presentation and demonstrated their creativity in their visual displays, on the SMART Board, posters and costumes.

THREE CHEERS!

On Thursday March 23rd the Leo Baeck North Girls Soccer Team defended their indoor title at the CHAT Invitational Tournament giving up only one goal all day in 5 games.

Grade 7 students from the North Campus went to The National Council of Jewish women to pack boxes for the Passover food drive. We organize this food drive every year to make sure that our Jewish community has access to kosher food for Passover.

Surprise Shabbat Lunch

Thursday March 24, 5th grade students were surprised by a beautiful and tasty Shabbat lunch. The festive meal began with blessings and songs, continued with challah and grape juice and ended with hot chicken soup and dessert. They recently completed the story called **Joseph Honors Shabbat** where they learned of one poor man's dedication to Shabbat. They discussed the importance of Shabbat in their own lives, to their families and to the Jewish Community. The Shabbat lunch was dedicated to the uniqueness that Shabbat has in the lives of our students. The students shared and reflected their thoughts and feelings towards Shabbat.

Purim Buddies

Ask the Nursery children anything about Purim and they will be able to tell you whatever you would like to know! These Nursery kids are so enthusiastic and eager to learn everything about this fun holiday. The highlight of our learning experience thus far has been making our very own Megillahs. Our kind and helpful Grade 5 buddies worked with our excited Nursery students in constructing their beautiful Megillahs. With the encouragement of their buddies and their attentiveness in the classroom, they now know the story of Purim and understand that their Megillah is the scroll that tells this very story.

DAVID VOLFSON EXPLORED HIS JEWISH ROOTS IN SLOVAKIA WHILE TAKING HOME TOP HONORS IN AN INTERNATIONAL TENNIS TOURNAMENT

Having recently won the International Tennis tournament for the Under 14 Category in Kosice, Slovakia, David Volfson, Grade 8 student, took the opportunity to learn about the city's Jewish cultural significance. Winning both the singles and doubles championships in the tournament, Volfson beat the top ranked player from Poland and also won the doubles event with his partner from England, Lucas Taylor. Mazal Tov!
